

Suncoast Scenic Parkway

Length of the Byway: 42 Miles **Designation Date:** Aug. 18, 2006 **FDOT District:** Turnpike

Linking established and emerging areas of development in Hillsborough, Pasco and Hernando Counties, the four-lane, limited-access Suncoast Parkway (toll road) has maintained its distinctive aesthetic design. Two noted trails – the Millennium Trail (part of Florida's System of Greenways and Trails) and the Suncoast Trail – are located here.
