Indian River Lagoon National Scenic Byway

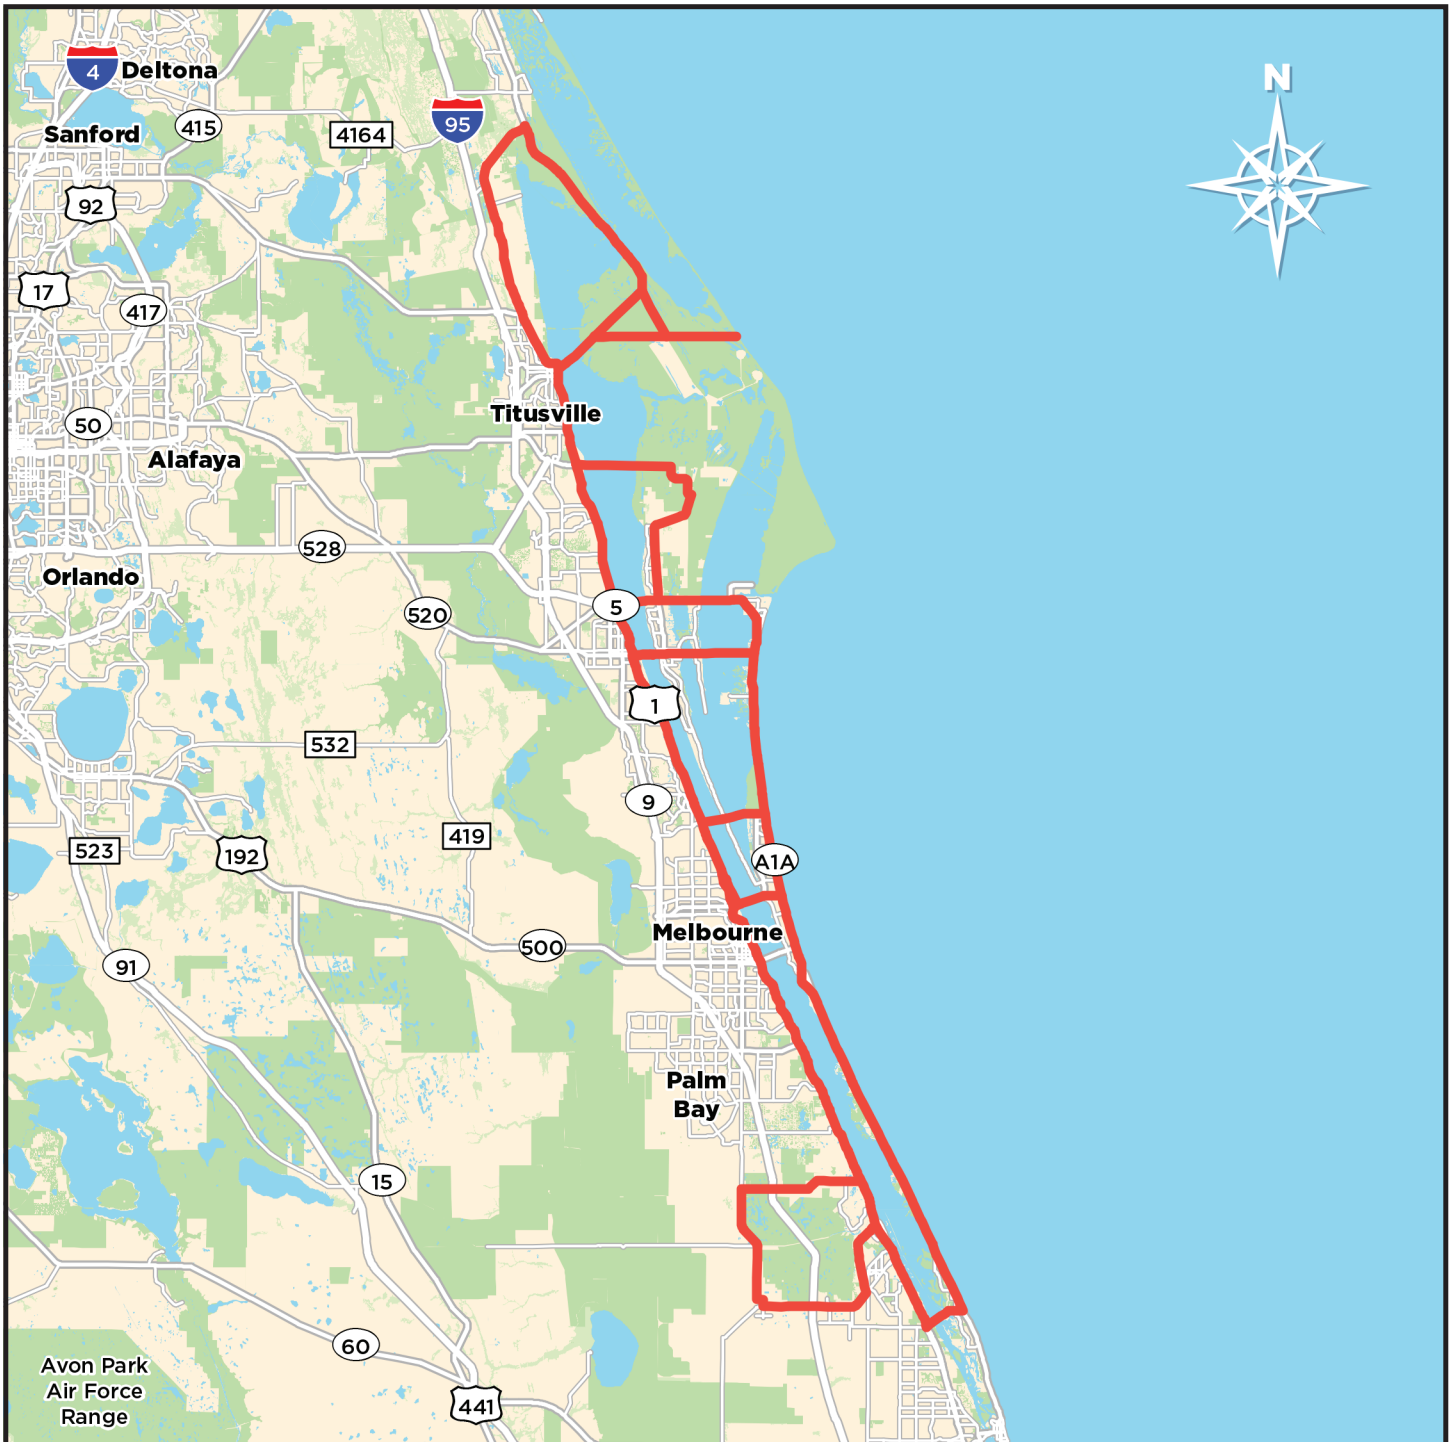

Length of the Byway: 205 miles

Designation Date: June 13, 2000

FDOT District: 4 & 5

indianriverlagoonbyway.com

Travel along two iconic American roadways – A1A and US 1 – as you loop around the Indian River Lagoon, part of the intercoastal waterway. From early Spanish explorers to pioneers of the space frontier. The area is full of fun historical, natural and recreational destinations, and one of the few places you can see dolphins and manatees swimming together.
